

Procedure for new families residing abroad

We understand that moving to France can be decided at the last minute, as much for professional as well as personal reasons. Hence, your request is not subject to a deadline, if we are able to consider it.

However, our decisions are taken in March. If your application is received after, it will be placed on a waiting list.

It is always better for us to meet the child. Do let us know of your trips to France, should you have any planned, so that we may benefit from it to meet you. If such a visit were not possible, we will organize a telephone meeting with Joan Koenig.

Please add the following to your application:

- The School reports of your child's current school, or, if you are unable to provide such documents, a letter of recommendation of the school.
- A video introducing your child to us (it will be required depending on the age)

You will be informed via email of the Applications Commission decision.
